ORDER

11.01.2024

The petitioners herein are aggrieved by the action of the respondent authorities in passing award for acquisition of their land and computing the same in terms with the Land Acquisition Act, 1894 though the award was passed after 01.01.2014.

2. It is the specific case of the petitioners that the compensation ought to have been computed in terms with Section 26 to 30 of the Right To Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (for short, 'the Act of 2013'). It is under such circumstances, the petitioners have sought for a direction upon the Competent Authority for land Acquisition for reassessing the compensation in terms with the provisions of the Act of 2013.

3. This Court, at this stage, finds it very pertinent to take note of the judgment rendered by this Court in the case of **Sawarman Agarwalla and 27 Others vs. the Union of India and 9 Others** dated 14.11.2023 in WP(C) No.4947/2014. Paragraph Nos.18 to 24 being relevant are quoted herein under:-

“18. At this stage, this Court finds it relevant to take note of the judgment of the Supreme Court in the case of Sharda Devi Vs. State of Bihar and Another

reported in (2003) 3 SCC 128 wherein the Supreme Court had observed at paragraph No.34 that the Award made by the Collector is final and conclusive as between the Collector and the "persons interested", whether they have appeared before the Collector or not, on the following issues (i) as to the true area i.e. the measurement of land acquired, (ii) as to the value of the land i.e. the amount of compensation, and (iii) as to the apportionment of the compensation amongst the "persons interested". However, the Supreme Court made it also clear in the said paragraph of the judgment that the said aspects would be final and conclusive insofar as between the Collector and the "persons interested" and not as amongst the "persons interested" inter se. It was further observed by the Supreme Court that the final and conclusive nature of the award can be varied/superseded by the Civil Court. Paragraph No.34 of the said judgment being relevant is quoted hereinbelow:

"34. The award made by the Collector is final and conclusive as between the Collector and the "persons interested", whether they have appeared before the Collector or not, on two issues: (i) as to true area i.e. measurement of land acquired, (ii) as to value of the land i.e. the amount of compensation, and (iii) as to the apportionment of the compensation among the "persons interested"" — again, between the Collector and the "persons interested" and not as amongst the "persons interested" inter se. In the event of a reference having been sought for under Section 18, the Collector's award on these issues, if varied by the civil court, shall stand superseded to that extent. The scheme of the Act does not attach a similar finality to the award of the Collector on the issue as to the person to whom compensation is payable; in spite of the award by the Collector and even on failure to seek reference, such issue has been left available to be adjudicated upon by any competent forum."

19. This Court further finds it relevant to take note of Section 18 of the Act of 1894 which stipulates that any person interested who has not accepted the award may, by written application to the Collector, require that the matter be

referred by the Collector for determination of the Court, whether his objection be to the measurement of the land, the amount of compensation, the persons to whom it is payable, or the apportionment of the compensation amongst the persons interested. Sub-Section (2) of Section 18 further mandates that the application to be filed to the Collector shall state the grounds on which objection(s) are made to the award. The proviso to Sub-Section (2) of Section 18 stipulates that such application shall be made (a) if the person making it was present or represented before the Collector at the time when he made his award, within six weeks from the date of the Collector's award; or (b) in other case, within six weeks of the receipt of the notice from the Collector under Section 12, Sub-Section (2), or within six months from the date of the Collector's award, whichever period shall first expire. Therefore, it would be seen that in order to supersede the finality and conclusive nature of the award statutorily mandated under Section 12 of the Act of 1894, the person interested has to file an application seeking a reference by the Collector for determination of the Court.

20. This Court before further proceeding however finds it relevant to mention as regards Section 30 of the Act of 1894 which is a provision relating to dispute as to the apportionment. A perusal of the said provision would reveal that when the amount of compensation has been settled under Section 11, if any dispute arises as to the apportionment of the same or any part thereof, or as to the persons to whom the same or any part thereof, is payable, the Collector may refer such dispute to the decision of the Court. This provision is referred to by this Court taking into account that though there is a finality and conclusiveness arrived at between the Collector and the person interested, then also, the Collector can make a reference suo moto without any application by the person interested on the issue as to the person to whom the compensation is payable. This very aspect of the matter can also be seen from a perusal of paragraph No.34 of the judgment of the Supreme Court in the case of Sharda Devi (supra).

21. Be that as it may, as regards the true area i.e. measurement of the land and as to the value of the land i.e. the amount of compensation, the said award so made by the Collector is final and conclusive and the Collector in the opinion of this Court becomes functus-officio pursuant to the making of the award as regards the true area i.e. the measurement of the land as well as the value of the land i.e. the amount of compensation. The provisions of the Act of 1894 would show that the jurisdiction only available with the Collector pursuant to the making of the award is only to give effect to the Award. In fact, Section 30 of the Act of 1894 is also in the nature of giving effect to the Award inasmuch as while giving effect to the Award, any dispute arises as regards the apportionment or persons who are entitled, the discretion is conferred upon the Collector to refer the same to the Court. 22. In the backdrop of the above propositions and taking into consideration the question involved in the instant proceedings, this Court finds it relevant to take note of the provisions of Section 24(1) of the Act of 2013. The said Section 24(1) is produced hereinbelow:

“24. Land acquisition process under Act No. 1 of 1894 shall be deemed to have lapsed in certain cases.—

(1) Notwithstanding anything contained in this Act, in any case of land acquisition proceedings initiated under the Land Acquisition Act, 1894 (1 of 1894) —

(a) where no award under section 11 of the said Land Acquisition Act has been made, then, all provisions of this Act relating to the determination of compensation shall apply; or

(b) where an award under said section 11 has been made, then such proceedings shall continue under the provisions of the said Land Acquisition Act, as if the said Act has not been repealed.

(2).....”

23. A perusal of the said provision would reveal that by the said provision, the land acquisition proceedings initiated under the Act of 1894 were saved. Clause

(a) of Sub-Section (1) of Section 24 of the Act of 2013 applies to cases where land acquisition proceedings was initiated under the Act of 1894 but no award under Section 11 of the Act of 1894 was made and in that circumstances, all the provisions of the Act of 2013 relating to determination of compensation shall apply, meaning thereby the said determination has to be made in respect to such land acquisition proceedings by following the mandate of Section 26, 27, 28, 29 and 30 of the Act of 2013 read with First Schedule to the said Act of 2013. However, a perusal of Clause (b) of Sub-Section (1) of Section 24 relates to land acquisition proceedings initiated under the Act of 1894 where award under Section 11 of the Act of 1894 had been made, then such proceedings shall continue under the provisions of the Act of 1894, as if the Act of 1894 has not been repealed.

24. The above two sub-clauses therefore hinges upon the aspect as to whether the award was made or not under Section 11 of the Act of 1894 on or before 01.01.2014 i.e. the date when the Act of 2013 came into force. In the backdrop of the above, if this Court reverts back to the facts and contentions so forwarded by the learned counsels for the parties, the question involved is as regards the inadequacy of the compensation inasmuch as it is the case of the Petitioners that the determination of the compensation should be as per the Act of 2013 which however have been denied by the Respondents. Therefore, in effect the question lies on disturbing, the finality and conclusiveness of the Award of the Collector as regards the compensation to be paid which statutorily by operation of Section 12 of the Act of 1894 had become final and conclusive. It is the opinion of this Court that as the Award so made in Land Acquisition Case No.13/2008 had already become final and conclusive between the Collector and the persons interested insofar as the question of the quantum of compensation and that too by operation of law, the said aspect cannot be unsettled by this Court in exercise of the jurisdiction under Article 226 of the Constitution more so, taking into account that both the statutes i.e. the Act of 1894 and the Act of 2013 stipulates a mode by which the same can be

superseded. The above rationale is also based upon the observations made by the Supreme Court in the case of Sharda Devi (supra) wherein it was observed that Civil Court in exercise of the powers upon being referred can supersede the finality and conclusiveness attached to the Award. It is also the opinion of this Court that directing the Collector/Deputy Commissioner to reassess the compensation would be nullifying the Award which would also unsettle settled acquisition proceedings between the Acquisitioning Authority and all the persons interested in L.A. Case No.13/2008. Under such circumstances, this Court is therefore of the opinion Page No.# 23/25 that no writ can be issued for directing determination of compensation as per the provisions of the Act of 2013 even assuming arguendo that the Award was made after 01.01.2014.

4. From a perusal of the above quoted Paragraphs, it would be seen that an award passed by the Collector or the person so authorized, i.e. the Competent Authority for Land Acquisition, (CALA) attains finality and the said finality and conclusiveness attached to the award cannot be unsettled by issuance of a writ under Article 226 of the Constitution. The "person aggrieved" if dissatisfied with the quantum of compensation can very well approach the Collector of the district and in the instant case, the Competent Authority for Land Acquisition, i.e. the Secretary, Bodoland Territorial Council, Kokrajhar for seeking a reference to the Court for deciding on the quantum of compensation.

5. Taking into account the above, this Court therefore disposes of the instant writ petition with the following observations and directions:-

(i) This Court in view of the above findings and reasons assigned is not inclined to issue a writ to the District Commissioner, Kokrajhar/the Competent Authority for Land Acquisition, i.e. the Secretary, Bodoland Territorial Council, Kokrajhar to re-determine

the compensation as per the Act of 2013;

(ii) This Court grants liberty to the petitioners to file respective applications before the Secretary, Bodoland Territorial Council, Kokrajhar who is the Competent Authority for Land Acquisition within a period of 45 days from today;

(iii) The Secretary, Bodoland Territorial Council, Kokrajhar-the Competent Authority for Land Acquisition upon receipt of the respective applications so filed by the petitioners within the time permitted by this Court shall within 30 days therefrom make the reference to the Court of the District Judge, Kokrajhar or to the Competent Tribunal set up by the State Government in terms with the Act of 2013;

(iv) This Court further directs the Reference Court/Tribunal that in the eventuality it is found that the petitioner would be entitled to compensation as per the Act of 2013, no interest would be awarded on the enhanced amount for the period from the date of taking over possession (if already taken) till the date of filing of the application by the petitioners before the Secretary, Bodoland Territorial Council, Kokrajhar. However, post filing of the application, the petitioners herein would be entitled to interest, if there is enhancement in the compensation amount. For the sake of clarity it is mentioned that the interest referred to herein above, is in respect to interest in terms with Section 28 and Section 34 of the Land Acquisition Act, 1894 or the interest in terms with Section 72 of the Act of 2013.

(v) This Court further observes that as the entitlement to interest

on the enhanced compensation would accrue from the date of filing of the application(s) by the petitioners, if the possession has already been taken, therefore it is of utmost necessity that there should not be any delay on the part of the Secretary, Bodoland Territorial Council, Kokrajhar- Competent Authority for Land Acquisition to comply with the direction for making a reference to the Court of the District Judge, Kokrajhar or the Tribunal constituted by the State Government in terms with the provisions of Section 64 of the Act of 2013.
