Advocate for the Petitioner : MR A DAS

Advocate for the Respondent : SC, ELEM. EDU

**BEFORE
HONOURABLE MR. JUSTICE N. UNNI KRISHNAN NAIR**

JUDGMENT & ORDER (Oral)

Date : 17.02.2024

Heard Mr. A. K. Boruah, learned counsel for the petitioner. Also heard Mr. B. Kaushik, learned Standing Counsel, Elementary Education Department appearing for the respondents no. 1, 2, 3 & 5 and Mr. S. Bora, learned Standing Counsel, Samagra Siksha, Assam.

2. The petitioners, by way of instituting the present proceedings have prayed for a direction to the respondent authorities to conduct a separate recruitment process for filing up posts of Assistant Teachers in primary schools, exclusively for the contractual appointees under SSA who had qualified in the Special TET held for them. The petitioners have also assailed a communication dated 26.07.2022 issued by the Secretary, Government of Assam, Elementary Education rejecting the proposal for adjustment of Special TET qualified candidates like the petitioners as Assistant Teachers by making special provision in this connection.

3. The petitioners were engaged at various points of time in different interventions of the SSA, Assam on contractual basis to impart elementary education to the dropped out and never enrolled students. The petitioners on their such engagement, executed agreements with the authorities and were paid honorarium for the works as done by them. The services of the petitioners were extended from time to time. The petitioners pursued their Diploma in Elementary Education course and cleared the same. The Mission Director, Samagra Siksha, Assam, vide his communication dated 23.12.2019 informed the District Mission Co-coordinators, about the holding of a Special TET for all contractual employees engaged from time to time in various interventions of the SSA, Assam. Accordingly, an advertisement in this connection came to be issued on 17.01.2022. The petitioners having satisfied the eligibility criterias as prescribed in the said advertisement submitted their applications and appeared in the examination so held on 03.10.2011.

On conclusion of the process, around 667 candidates, including the

petitioners herein were declared to have qualified in the said Special TET examination. The Mission Director, Samagra Siksha, Assam vide his communication dated 10.06.2022 submitted a proposal before the Elementary Education Department for the purpose of appointment of the 667 numbers of Special TET qualified candidates as Assistant Teachers by making special provision for them as was done earlier in the case of appointment of Siksha Mitras of EGS centres. The said proposal on consideration, was held vide communication dated 25.07.2022, issued by the Secretary, Elementary Education, Assam, to be not feasible as per existing Government guidelines.

4. I have heard the learned counsels for the parties and perused the materials available on record.

5. At the outset, it is required to note the prayers as made by the petitioners in the present proceedings, which are quoted below:-

a) a writ in the nature of Certiorari shall not be issued for setting aside/quashing the impugned letter No. E-File No. 211 167/47 dated 26.07.2022 issued by the respondent no. 2 rejecting the proposal to make special provision for 667 nos. of Special TET qualified candidates including the petitioners as Assistant Teachers, and

b) a writ in the nature of Mandamus shall not be issued directing the respondents to forthwith recall/rescind/cancel the impugned letter No. E. File No. 211 167/47 dated 26.07.2022 issued by the respondent no. 2

rejecting the proposal to make special provision for 667 nos of Special TET qualified candidates including the petitioners as Assistant Teachers, and

c) a writ in the nature of Mandamus shall not be issued directing the respondents to forthwith conduct a separate recruitment process for appointment of 667 nos of Special TET qualified candidates including the petitioners as Assistant Teachers as it was done earlier in respect of Shiksha Mitras."

6. The petitioners have prayed for holding of a Special recruitment drive amongst the 667 nos of Special TET qualified candidates for appointment as Assistant Teachers. The petitioners have based their such prayer upon the benefit extended to Siksha Mitras in this connection.

7. The petitioners have in their writ petition brought on record an advertisement dated 07.09.2017, by which applications were invited from candidates who had qualified in the LP Special TET for Siksha Mitra/Additional Siksha Mitras (Elementary) for filling up of posts of Assistant Teachers at Lower Primary Schools under State Pool on purely contractual basis for 11 (Eleven) months. The petitioner during the hearing has prayed that benefits as was extended to the Siksha Mitras, by holding a special recruitment drive, ought to also be extended to them as they are also similarly placed.

8. The recruitment to the posts of Assistant Teachers in the State is

governed by Recruitment Rules and the norms as followed for such recruitment are the norms prescribed by the NCTE from time to time. In the event, directions as prayed for by the petitioners are to be issued by this Court, the same would be in clear violation of the procedure as prescribed in the Recruitment Rules holding the field.

9. A perusal of the advertisement dated 07.09.2017, reveals that the same was so issued for the purpose of ensuring availability of teacher in elementary schools especially for schools having high pupil-teacher ratio and situated in remote and isolated areas and was undertaken by the SSA, Assam. The said appointments were to be made on contractual basis. The above reflects a policy decision arrived at by the authorities to meet an emergent situation arising and keeping in view the need for providing quality education to children of such elementary schools. As such in absence of a similar policy decision taken by the concerned authorities specifically, for appointing persons like the petitioners herein, it would not be possible for this Court to direct the respondent authorities to hold any recruitment process limiting the same, amongst persons, like the petitioners herein.

10. It is to be noted that the issue as to whether the special recruitment process undertaken for the Siksha Mitra was valid or not is not being examined in absence of any challenge to the same. However, in the absence any similar policy decision being available and brought on record, this Court would not be in a position to direct the respondent authorities to

hold a special recruitment drive for persons like the petitioners.

11. The above conclusions having been reached with regard to the contentions raised by the petitioner, this Court would now examine the challenge as made by the petitioners to the communication dated 26.07.2022, issued by the Secretary to the Government of Assam, Elementary Education Department. The said communication was issued in response to a proposal as submitted by the Managing Director, Samagra Siksha, Assam vide his communication dated 10.06.2022 towards appointment of 667 numbers of Special TET qualified candidates as Assistant Teachers by making special provisions for them as was done in respect of Siksha Mitras of EGS centre.

12. On a perusal of the reasoning as noted in the communication dated 26.07.2022 towards holding the proposal as forwarded by the Managing Director, Samagra Siksha, Assam to be not feasible, it is found that the reasoning are cogent and germane to the issue involved. The reasoning as advanced in the communication merits acceptance and accordingly, the communication dated 26.07.2022 does not call for any interference from this Court.

13. Accordingly, the prayers as made by the petitioners for holding of a separate recruitment process for filling up post of Assistant Teacher in Primary Schools for persons like the petitioners, who had qualified in the Special TET examination conducted for contractual employees of SSA does

not merit acceptance.

14. Accordingly, the writ petition is held to be devoid of any merit and the same stands dismissed. However, there would be no order as to costs.

15. It is needless to mention that dismissal of the present writ petition and the non-interference by this Court with the communication dated 26.07.2022, would not be a bar for the respondent authorities to consider the grievance of the petitioners on merit, if so approached by the petitioners by way of preferring representations praying for adoption of a scheme for adjusting their services against the posts of Assistant Teachers.

Comparing Assistant
