:: ORDER ::

05-03-2024

Heard Mr. R.M. Deka, learned counsel for the petitioners in WP(C) No. 5823/2021 and Mr. D. Das, learned senior counsel, assisted by Mr. R.B. Phukan, learned counsel for the petitioners in WP(C) No. 3900/2017. Also heard Mr. R.M. Das, learned standing counsel, Water Resources Department.

As all the writ petitions have common cause of action and the relief sought for are identical, they are taken up together for disposal by this common order.

It is the case of the petitioners that they were engaged as Muster Roll Workers/Work Charged/Sectional Assistant in different divisions of the Water Resources Department, Government of Assam, Dispur, after 01-04-1993 and that they have completed five years of continuous services while working in various Divisions of Water Resources Department till 24-01-2001.

The petitioners had earlier approached this Court under the banner of *Assam*

Rajyik Karmachari Parishad by way of WP(C) No. 560/2009, which was disposed of on 04-05-2010 with following directions:

“Having heard the learned counsel for the parties, this Court had passed an order, on 08.04.2010, which reads, inter alia, thus: Considering the matter in its entirety and in the interest of justice, it is hereby made clear that unless otherwise directed by this Court, there shall be no bar, on the part of the State respondents, to engage the present petitioners in the field work of the Department along with similarly situated other persons, if such engagement is legally made. It is further clarified that the engagement, as has been permitted by this Court, by its order, dated 08.04.2010, shall not be in a manner, which may come into conflict with the observations made, and the directions given, by a Full Bench of this Court, in Jitendra Kalita & Ors. Vs. State of Assam & Ors., reported in (2006) 2 GLT 654 (FB). As regards the claim of the petitioners that they have not been paid their dues for the period, for which they had worked, it needs to be pointed out that the contention of the petitioners, that they had worked, is disputed by the respondents. For such a disputed question of fact, a proceeding of present nature, under Article 226 of the Constitution of India, is not the appropriate proceeding inasmuch as determination of such a question would require making of roving enquiry and adducing of evidence by the parties concerned. In such circumstances, as far as the petitioners’ claim for non-payment of their dues are concerned, the petitioners shall have to take recourse to appropriate provisions of law for remedy of their grievances. If any proceedings is instituted by the petitioners claiming payment of their alleged dues, the observations, made and/or the findings recorded by the respondents, in their enquiry report, on 19.11.2008 (Annexure P-2 3 to the writ petition), shall not be binding on the petitioners, though the same may be relevant for the respondents in order to sustain their findings in the matter.”

The petitioners are claiming for re-engagement/re-appointment on the basis of the Office Memorandum, dated 30-10-2001, issued by the Principal Secretary to the Government of Assam, Finance Department, which provides that the MRW/WC employees who were engaged after 01-04-1993 and completed five years of continuous service as on 24-01-2001 shall only continue in services in their respective capacity subject to proper verification of their engagements by the respective appointing Authorities.

It is the claim of the petitioners that as they were engaged after 01-04-1993 and have completed five years' of continuous service as on 24-01-2001, therefore, they should be re-engaged/re-appointed.

The respondents have filed their counter affidavit as well as an additional affidavit on 01-03-2024 wherein the report of the Committee, formed to examine the records of Muster Roll Workers engaged after 01-04-1993 and completed five years of service up to 24-01-2001 under different divisions of Water Resources Department, has been annexed.

However, on consideration of the report it is seen that the said report is dated 19-11-2008, which is prior in time to the order dated 04-05-2010, passed by this Court in WP(C) No. 560/2009.

Mr. R.M. Das, learned standing counsel, Water Resources Department, is unable to clarify before this Court as to whether any exercise has been taken by the Water Resources Department for verification of Muster Roll Workers/Work Charged/Sectional Assistant, who were appointed after 01-04-1993 and have completed five years' of service upto 24-01-2001 after the order dated 04-05-2010 was passed in WP(C) No. 560/2009.

Mr. R.M. Das, learned standing counsel, Water Resources Department also submits that if the matter is remanded back to the respondents for re-verification, there may be some chances of misrepresentation on the part of the officials.

As this Court has already observed that the report annexed with the additional affidavit is of the year 2008, this Court is of the considered opinion that without entering into the merit of the case, it would be in the interest of justice to dispose of all the writ petitions by directing the respondent authorities in the Water Resources Department to have a re-verification with regard to the claim of the petitioners as to whether they were appointed after 01-04-1993 and have continuously been serving for five years till 24-01-2001.

Let such exercise be done and completed within a period of six months from the date of receipt of a certified copy of the order and thereafter on completion of the exercise, the petitioners shall be intimated with regard to the outcome of such verification.
