Standing counsel, PWD.

B E F O R E
HON'BLE MR. JUSTICE DEVASHIS BARUAH
ORDER

25.07.2024

Heard Mr. SC Biswas, the learned counsel appearing on behalf of the petitioners. Also heard Mr. BJ Talukdar, the learned counsel appearing on behalf of the State respondents and Mr. A Bhattacharjee, the learned counsel appearing on behalf of the Revenue Department. Mr. B Gogoi, the learned counsel appears on behalf of the PWD, Government of Assam.

2. The petitioners in both the writ petitions are owners of various plots of land. The case of the petitioners herein is that the respondent authorities want to acquire the lands of the petitioners by invoking the *Asom Mala Program* by way of a Notification dated 07.03.2022 issued by the Governor of Assam whereby land acquisition is to be carried out through direct purchase by way of negotiative settlement.

3. It is the case of the petitioners that the lands belonging to the petitioners are of much higher value to that of the value which has been offered by the respondent authorities. It is also the case of the petitioners that the respondent authorities are trying to force the petitioners to accept the less value and as such have filed the instant writ petition seeking appropriate direction(s) that the market value of the lands and the appropriate compensation for the lands has to be paid as per the provisions of the *Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013*.

4. This Court has heard the learned counsels appearing on behalf of the petitioners as well as the respondents.

5. The Notification dated 07.03.2022 had also been perused. From a perusal of the said Notification dated 07.03.2022, it is seen that the respondent authorities can invoke the provisions of the said Notification and pass an award only in a case where there is an agreement as regards the value of the land and the compensation to be paid. It is the opinion of this Court that if the petitioners are not agreeable to the value of the lands which have been proposed by the respondent authorities, the respondent authorities would not have the power to force upon the petitioners to accept the value or the compensation to be payable.

6. Under such circumstances, both the writ petitions stand disposed of thereby directing the respondent authorities to take steps in terms of the Notification dated 07.03.2022, only if the land owners are agreeable to the compensation to be paid.

7. It is, however, observed that the instant order so passed shall not bar the respondent authorities to take steps for acquisition in terms of the other

acquisition laws which are presently in force.
