**BEFORE  
HONOURABLE MR. JUSTICE KALYAN RAI SURANA**

**ORDER**

**02.04.2024**

Heard Mr. H. Gupta, learned counsel for the review petitioners as well as Mr. JC Gaur, learned counsel for the respondent nos.1 to 151 and Ms. M. Barman, learned counsel for the respondent nos.152 and 153.

2. The review petitioners are the Union of India and the Deputy Chief Engineer (Construction), Bogibeel Project, NF Railway.

3. This review petition is directed against the order dated 09.09.2022 passed by this Court in WP(C) 6884/2017.

4. At the outset the learned CGC has submitted that the petitioners had initially filed an intra court appeal against the impugned order under review which was registered and numbered as WA 417/2023. However, with liberty to file this review, the writ appeal was withdrawn vide order dated 12.01.2024 and accordingly, this present review was filed.

5. Amongst others, the review is presented on the ground that the consent given by Mr. Kingkar Das, Executive Engineer (Construction), Pasighat, NF Railway, which is quoted in the impugned order dated 09.09.2022. However, the said consent was contrary to the stand taken by the petitioners in para-10 of the affidavit-in-opposition filed in WP(C) 6884/2017 as it was the pleaded case of the petitioners in their affidavit-in-opposition that the land was taken on temporary lease for the purpose of service road from Kulajan to Karenghat and that the compensation for temporary lease of the govt. land cannot be given to the individual occupant or the encroacher of the land.

6. It is submitted by the learned counsel for the Review petitioners that the land for which the private respondents are claiming compensation relates to govt. land measuring 219B-4K-16L where the private respondent nos.1 to 151 were occupying. In view of the statement made in para-8 of the writ petition, on a query made by the Court, the learned CGC had submitted that in so far as 53 nos. of affected land owners were concerned, there was a private agreement with them for paying compensation. Therefore, it appears that in respect of the land of 219B-4K-16L, apart from the Govt. of Assam, interest of 151 private respondents are also involved.

7. The learned CGC further submits that as the concerned land is the Govt. land, no land acquisition proceedings under the erstwhile Land Acquisition Act, 1894 or any acquisition and requisition proceedings under the Assam Land (Requisition and Acquisition) Act, 1964 was initiated.

8. By referring to the provision of the Supreme Court of India in the case of *Assam Industrial Development Corporation Ltd. v Gillapukri Tea Company Ltd. and others (2021) 3 SCC 388*, it is submitted that it is a well settled legal proposition that if a land which stands already vested in the Govt., there could be no acquisition of such land. Hence, it is submitted that without any acquisition or requisition proceedings, the review petitioners cannot deposit compensation in the name of the private respondent nos.1 to 151.

9. In para-10 of the affidavit-in-opposition filed by the Deputy Commissioner, Dhemaji in WP(C) 6884/2017, it has been stated that the Railway Department was requested for taking the Govt. land on lease vide office letter no.DLA.41/2014/172 dated 26.02.2016 from the Govt. as it is a Govt. land and subsequently, the Govt. will decide whether to pay the lease amount to the encroachers or not.

10. The learned CGC, upon instructions, submits that if payment is required by the Govt. for lease of the govt. land, the Railway would be making disbursement to the Govt. through the District Commissioner, Dhemaji but in no event the Railways are empowered to pay the lease amount to the encroachers of the Govt. land.

11. In this regard it is further submitted that the Deputy Commissioner, Dhemaji has also admitted in para-13 of the said affidavit-in-opposition that as

per the documents submitted by the Circle Officer, Sissiborgaon Revenue Circle, it is revealed that all the names of encroachers are recorded in the chitha copies.

12. Accordingly, it is submitted that contrary to the law relating to land acquisition or requisition, the Railway authorities are unable to concede for payment of land acquisition compensation to the encroachers and therefore, the consent given by the said officer was not a valid concession which calls for the review of the said order dated 09.09.2022.

13. Per contra, the learned counsel for the private respondent nos.1 to 151 has made his submission in support of the impugned order and it is submitted that in view of the specific statement made by the officer in the Railways, such statements partakes the character of an admission and therefore, the Railway authorities are bound to comply with the order impugned in this review petition. It is also submitted that the Railway authorities have entered into an agreement with 53 other affected land owners and as the private respondent nos.1 to 151 are similarly situated persons, land acquisition cannot be denied.

14. However, on a specific query of the Court as to whether the respondent nos.1 to 151 will have any objection if the money is not paid to them but rather be deposited before the District Commissioner, Dhemaji, the learned counsel for the private respondents submits that he may agree to the same, however, the money earmarked for the 151 private respondents should be released to them by the Govt. and/ or the District Commissioner, Dhemaji.

15. It is required to be examined as to whether the issue raised by the petitioners calls for exercise of jurisdiction of the Court to review the order

dated 09.09.2022 passed in WP(C) 6884/2017.

16. In this regard, to demonstrate that the power of review being available to the Court if incorrect undertaking is given by the Executive Engineer (Construction), Pasighat, NF Railway, the learned CGC has placed reliance on the case of *Board of Control for Cricket, India and another v Netaji Cricket Club and others* (2005) 4 SCC 741 (para-88 to 90). The said paragraphs are quoted below:

*“88. We are, furthermore, of the opinion that the jurisdiction of the High Court in entertaining a review application cannot be said to be ex facie bad in law. Section 114 of the Code empowers a court to review its order if the conditions precedent laid down therein are satisfied. The substantive provision of law does not prescribe any limitation on the power of the court except those which are expressly provided in Section 114 of the Code in terms whereof it is empowered to make such order as it thinks fit.*

*89. Order 47 Rule 1 of the Code provides for filing an application for review. Such an application for review would be maintainable not only upon discovery of a new and important piece of evidence or when there exists an apparent error on the face of the record but also if the same is necessary on account of some error or for any other sufficient reason.*

*90. Thus, a mistake on the part of the court which would include a mistake in the nature of the undertaking may also call for a review of the order. An application for review would also be maintainable if there exists sufficient reason therefore. What would constitute sufficient reason would depend on the facts and circumstances of the case. The words "sufficient reason" in Order 47 Rule 1 of the Code are wide enough to include a misconception of fact or law by a court or even an advocate. An application for review may be necessitated by way of invoking the doctrine "actus curiae neminem gravabit."*

17. We take notice of the order dated 05.09.2022 passed in WP(C) 6884/2017. In the said order, the Court had recorded that the annual patta land of the petitioners were taken over by the Railway authorities for construction of service road leading to Bogibeel bridge and also recorded the stand of the

Railways that the land is a Govt. land for which they are refusing to pay any compensation to the petitioners therein. Accordingly, this Court took note of the provisions of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 and held it to be beneficial for land owners and therefore, this Court had required the Railways to substantiate from the law of acquisition as to under which provision of law such stands are acceptable. Accordingly, the matter was fixed on 07.09.2022 and on 07.09.2022 the matter was adjourned to 08.09.2022. On 08.09.2022, the Executive Engineer (Construction) of NF Railway was personally present and he was directed to furnish the information to the Court on 09.09.2022.

18. Accordingly, on 09.09.2022, the Executive Engineer (Construction), Pasighat, NF Railway not only produced the records but on verification of the records has made statement before the Court. Therefore, the Court is of the considered opinion that once the Railways were directed to apprise the Court of the factual aspects relating to law under which they had taken a stand and the Railway authorities having sent their Executive Engineer (Construction) to address the Court, the said employee/ officer of the Railways stand in the footing of the representative of the NF Railway and the Railways are bound by his statement being the representative of the NF Railways.

19. Having taken such view, the Court is of the considered opinion that there was no mistake on part of the Court in passing of the order dated 09.09.2022 in WP(C) 6884/2017. Therefore, if the review petitioners feel that they are aggrieved because of the stand taken by the Executive Engineer (Construction) was erroneous, then the order dated 09.09.2022 can only be assailed in intra Court appeal because the condition precedent for invoking the

power of review, there must be an error in the face of record which is found to be absent herein.

20. Having said so, we also take note of the submissions made by the learned CGC, stating that they may be granted liberty to make deposit compensation to the District Commissioner, Dhemaji and the response by the learned counsel for the review petitioners to the effect that he would concede to such prayer subject to the District Commissioner, Dhemaji for releasing the share of compensation to the private respondent nos.1 to 151.

21. In view of the said stand taken, and having regard to the finding recorded hereinbefore, the Court is of the considered opinion that a leave could be granted to the parties to address this Court on the said aspect in the connected contempt petition.

22. Accordingly, as the Court does not find it to be a fit case for exercising power of review, this review petition stands closed.
